## Professional Day Registration Form 2011-2012

Dear Parents,

It's time to register for professional days for the 2011-2012 school year! Spaces are limited and will only be secured with completed forms and payments. Fees cannot be post-dated and are non-refundable. Location of care will be confirmed a week before the date of the professional day. You do not need to register for all days now, you can register for each as it comes up if that is your preference (but a separate form and payment will be required each time if you are not registering for them all at once.) If you have any questions in regards to this, please call the office at 250-391-0909.

Registrations for winter break and spring break are separate registrations. All details and required forms will be sent out via email and paper copies will be available at all locations once registration is opened.
